September 1, 2016

Dear Friend of Mothers Against Cancer,

Now in our 28th year of fundraising for Texas Children's Cancer Center, Mothers Against Cancer is asking for your help. We are a nonprofit, registered charity committed to raising money to support pediatric cancer research. Since we are an all-volunteer committee, neither our director nor our board is salaried. We have donated over \$5 million to TCCC to date.

Each year since 1989, MAC hosts a holiday luncheon as our primary fundraiser. This year's luncheon will be held on **Monday, December 5**, at the Humble Civic Center.

Our honoree will be Gerardo Martinez, the son of Luis and Alicia Martinez and a fifth grader at Hidden Hollow Elementary in Kingwood. He is being treated for a rare abdominal tumor at TCCC. We will also have a special guest, Henry Friddle, the son of Stewart and Michelle Friddle and the grandson of Janet Friddle, longtime residents of Kingwood. Henry lost his right eye to retinoblastoma.

The generosity of past sponsors has helped so many children with cancer. Contributions have led to the following achievements:

- Research into developing treatments for brain tumors
- Testing anti-cancer agents against tumors
- Hematology research
- Underwriting a molecular oncology research laboratory
- Drug development to protect children from cardiac damage due to chemotherapy

We sincerely hope that you will consider purchasing a sponsorship package for our 2016 luncheon. Enclosed you will find information and a commitment form. **Please note that your commitment form must be received by October 21, 2016, for your name to be included in our program and/or other materials.**

Thank you for your consideration in making a difference in the lives of children with cancer.

Bebe Turner, Executive Director

Marge Wyatt, Sponsorship Chair
